To whom it may concern,

Our political action committee, Blackhawk for a Better Tomorrow, Tomorrow, has not yet raised the minimum reporting requirement of \$1,000, nor have we received a contribution in excess of \$50. In lieu of filing a report, our committee has agreed to send this formal letter with the details of our fiscal activities. If our committee receives a donation in excess of \$50, or if the total amount fundraised grosses \$1,000, our committee will file a report immediately.

Thank you,

Sean Steinle, Treasurer

Blackhawk for a Better Tomorrow, Tomorrow (C00572818)
